Snap2™ Privacy Screen for 19" Widescreen Monitors

idea: A visible improvement over standard privacy screens.

Product Number	**K55778WW**
MSRP	**$234.95**

Protective films improve the longevity and image quality of flat panel displays. The top-mounted films cling to screens with different shapes -- without hassle, adhesive or cumbersome frames. The hard-coated and textured surface protects sensitive screens, reduces glare, and improves viewing contrast.

Features and Benefits

- Top-mount bracket secures screen to monitor without hassle, adhesive or cumbersome frames
- Hard-coated surface protects sensitive flat panel screen from smudges and damage
- Fits all 19" and most 20" widescreen flat panel monitors and televisions
- Textured surface with light tint minimizes glare and improves contrast
- Frame-free construction clings to monitor and won´t obstruct controls or speakers
- Widescreen proportions to fit the newer flat panel monitors and televisions
- Lightweight film won´t fall off monitor

Technical Specs

- Widescreen proportions 16:10
- Fits all 19" and most 20" widescreen flat panel monitors and televisions
